Chairman Richard Altman called the meeting to order and gave a brief recap of the rules and audience participation. He explained that there would be no action taken by the Planning Commission in that this is a hearing to gain public input on the prospect of a second Planning Commission for District 2. He stated that this is the first of two public hearings. The next public hearing is scheduled for April 11th at 7:00 p.m. at the Casino Garden Room on St. Simons Island.

The floor was then open for discussion.

Present to speak in favor of a second Planning Commission and on behalf of the business community was Mr. David Everett, Senior Vice President of Clubs & Development for Sea Island Company. Also present to speak in favor of the proposal were State Senator Tommy Williams, Mr. Tom Swan and Ms. Marilyn Marsh. It was noted that there were approximately 25 citizens in attendance in favor of a second Planning Commission.

Present to speak against having a second Planning Commission were Mr. Ed Hulse and Mr. Joe McDonough.

There being no further business to discuss, the meeting adjourned at 7:45 p.m.
