When your cart arrives, call Glynn County Customer Service at (912) 554-7111 to find out if your pickup falls on a **PINK** or **YELLOW** week. Please see the above schedule for 2021. Fill in the blank: My pick up week falls on a _____ week. **Dates with a **RED** star next to them, are holidays observed by Republic Services. Trash and Recycling pick up will NOT be picked up on these days, but service will resume the following day. Service will be delayed by one day following each of these holidays.

Curbside Garbage Collection Carts

Glynn County home owners will be furnished with a 95 gallon rollout cart to use for curbside collection of household garbage.

The cart should be positioned at the curb in front of the residence no later than 7:00 am on the day of pick-up. The cart must be within five (5) feet of the road and at least three (3) feet from any obstacles (mailbox, fence, landscaping, cars, other bins, etc.) The cart should not be placed under any low hanging overhead obstacles like limbs or power lines. Carts are emptied by an automated side loader that is operated by the driver. Drivers will not exit the truck to adjust the cart if it is improperly placed. All trash in the container must be drained of all liquids and bagged in paper or plastic bags. Garbage will not be collected if it is not inside the rollout cart with the lid closed or in a special pre-paid "overflow" 30-gallon bag. Bags may be purchased from Publix or Harris Teeter.
