Mosquito control aerial spraying planned

GLYNN COUNTY, Ga.- Mosquito Control Services is planning an aerial adulticiding application on **Thursday, August 18, 2016**. Areas to be covered include **South Brunswick, Arco/Selden park area, Blythe Island, Thalman area around Highway 99, Satilla Shores/Fancy Bluff, Jekyll Island, and the uninhabited areas of Andrews Island**. Spraying will take place between the hours of **6:30 p.m. and 11:30 p.m.** The vehicle to be used is a twin engine King Air aircraft with red and blue stripes. Should weather prevent the mission, it will be rescheduled as soon as weather permits the following Friday, Saturday, or Sunday (August 19-21) during the same time period.

Questions or comments may be directed to Travis Dorsey, Entomologist with Mosquito Control Services. He can be reached at 912-217-6300.
