Mosquito control aerial spraying planned

GLYNN COUNTY, Ga.- Mosquito Control Services is planning an aerial adulticiding application on the evening of **Wednesday, June 29th, 2016** between the hours of **8:00 p.m. and 10:45 p.m.** The areas of treatment will include **south Brunswick, Brunswick/Dock Junction, north St. Simons Island (to include the Commons and West Point Plantation), and St. Simons Island near Hampton Point.** The vehicle to be used is a twin engine King Air aircraft with red and blue stripes. Should weather prevent the mission, it will be rescheduled for Thursday, June 30th during the same time period.

Questions or comments may be directed to Travis Dorsey, Entomologist with Mosquito Control Services. He can be reached at 912-217-6300.
