Mosquito control aerial spraying planned

GLYNN COUNTY, Ga.- Mosquito Control Services is planning an aerial larvacide application over the **uninhabited areas of Andrews Island**. If weather permits, the application will take place between 9:00 a.m. and 2:00 p.m. on **Friday, June 17, 2016**. Should weather prevent the flight, an attempt will be made from 9:00 a.m. to 2:00 pm on **Saturday, June 18; Sunday, June 19; or Monday, June 20**. The vehicle to be used is a Turbo Thrush aircraft that is white with red stripes on the nose and wing. Questions or comments may be directed to Travis Dorsey, Entomologist with Mosquito Control Services. He can be reached at 912-217-6300.
