Mosquito Control Aerial Spraying Planned

GLYNN COUNTY, Ga.- Mosquito Control Services is planning an aerial adulticiding mission the evening of Wednesday, September 16th. The areas of treatment will include Everett City, Brunswick/South Brunswick, Andrews Island, Jekyll Island, and the St Simons Island area of Hampton Point. Should weather conditions prevent this mission, it will be rescheduled for the next possible evening during the same time period. The vehicle to be used is a white, twin Engine King Air aircraft with red and blue stripes. Questions or comments may be directed to Travis Dorsey, Entomologist with Mosquito Control Services. He can be reached at 912-217-6300.
