Mosquito Control Aerial Spraying Planned

GLYNN COUNTY, Ga.- Mosquito Control Services is planning an aerial larvacide application over the uninhabited areas of Andrews Island and uninhabited areas of Little St. Simons Island. If weather permits, the application will take place between 9:00 am and 2:00 pm on Saturday, September 5, 2015. Should weather prevent the flight, an attempt will be made from 9:00 am to 2:00 pm on Sunday, September 6, 2015. The vehicle to be used is a single engine Thrush aircraft that is white with red and blue stripes. Questions or comments may be directed to Travis Dorsey, Entomologist with Mosquito Control Services. He can be reached at 912-217-6300.
