Canal Crossing Truck Traffic

GLYNN COUNTY, Ga. – The Glynn County Community Development Department would like to advise the public to anticipate large, oversized truck traffic on I-95 northbound and Exit 38 continuing down to Canal Road beginning on September 8, 2015 through the end of October 2015. This truck traffic is related to the installation of a box culvert for the Canal Crossing Improvement Project. In addition, an increased amount of dump truck traffic is expected on Canal Road and Glynco Parkway as the Canal Crossing shopping center is being developed.
