Beach walk access work completed

GLYNN COUNTY, Ga.- The Glynn County Department of Public Works recently completed the renovation of two beach walk access points on St. Simons. The access points at Postell Ave. off of 12th St. and Oglethorpe Ave. off of 7th St. have reopened for public use. The County installed new steps, decking posts, and handrails at the Postell Ave. location and new handrails and steps at the Oglethorpe Ave. location. Prebuilt structures were installed in both locations to minimize the time the accesses were closed for use. Total cost to refurbish both of structures totaled \$5,014. Our goal is to continue to provide the public with safe, easy access to the St. Simons Beach. Questions or comments may be directed to Dave Austin at Glynn County Public Works. He can be reached at 912-554-7701.
