Beach Walk Accesses being refurbished

GLYNN COUNTY, Ga.- Glynn County Public Works will be refurbishing two existing beach walk access bridges located on Saint Simons Island beginning the week of December 15th. The access located at Postell Ave. off of 12th St will be closed during construction as the steps, decking, posts, and handrails will be replaced. Similarly, the access located at 7th St. and Oglethorpe Ave. will be closed at the same time for handrail and step replacement. Construction in both locations should be completed by December 23rd. Our goal is to continue to provide the public with safe, easy access to the Saint Simons Beach. Questions or comments may be directed to Ben Pierce at Glynn County Public Works. He can be reached at 912-554-7744.
