Road work may cause delays

GLYNN COUNTY, Ga.- The Glynn County Public Works Department will be involved in two road way improvements on Thursday, August 3, 2017 that are expected to cause minor traffic delays.

The roundabout at the intersection of Frederica Rd. and Lawrence Rd. on St. Simons Island will be restriped on Thursday, August 3, 2017. In order to minimize traffic disruptions, work will be conducted from 9:00 a.m. to 12:00 p.m. During this restriping process, the roundabout will remain open, but flaggers will be present to direct traffic in order to avoid the work area.

In addition, intersection improvements are being made at the intersection of Old Jesup Rd. and Canal Rd. in Brunswick from 9:00 am to 1:00 p.m. on Thursday, August 3, 2017. At this time, new traffic signal poles will be installed and utility upgrades will be made by Georgia Power at this time. Flaggers will be present to direct traffic while the work is taking place.

For media seeking additional information, please contact Larry Little, Division Manager, Glynn County Public Works, at 912-554-7746.
