Debris pick up continues

GLYNN COUNTY, Ga. - The Glynn County Hurricane Irma storm debris removal contractor, Ceres Environmental, has completed the first pass of debris removal in the County. Storm debris will continue to be picked up as the contractor conducts their second, and eventually third, pass of the County. If you still have Hurricane Irma storm debris and are concerned about it being picked, up please contact Glynn County Customer Service at 554-7111.
