Recycling is picked up every other week, on the same day as your garbage collection. When your cart arrives, call Glynn County Customer Service at (912) 554 -7111 to find out if your pickup falls on a PINK or YELLOW week. Please see the above schedule for 2020. Fill in the blank: My pick up week falls on a _____ week. **Dates with a RED star next to them, are holidays observed by Republic Services. Trash and Recycling pick up will NOT be picked up on these days, but service will resume the following day. Service will be delayed by one day following each of these holidays.
