Solid Waste Pickup to Resume Friday

GLYNN COUNTY, Ga.- Due to the winter weather delay, Republic Services will begin picking up solid waste, recycling, and yard waste on Friday, January 5, 2018. All residents are asked to place their waste on the curb as soon as possible. Republic Services will be following an amended schedule and working longer hours in order to resume normal pick-up days and hours starting on Monday, January 15, 2018.

Household garbage only can also be disposed of at the drop-off centers free of charge also starting Friday, January 5, 2018. There are two drop-off centers located at 550 Young Lane in Brunswick and Demere Road behind the farmers market on St. Simons Island. The extended hours for both centers are 9 a.m. to 5 p.m. through Friday, January 12, 2018.

Storm related yard debris will not be picked up unless you have contracted with Republic Services for annual debris pick up services. These can also be taken to the drop-off centers for an additional charge.
