## **Sidney Lanier Bridge Closed**

GLYNN COUNTY, Ga.- The Sidney Lanier Bridge will to be closed until further notice. The Georgia Department of Transportation (GDOT) deems the closure necessary for the safety of the travelling public due to the ice that has still not melted on the cables and cross members.

Overnight temperatures must reach above freezing for this ice to melt, so as a result it is unknown at this time when GDOT will reopen the bridge.

Please continue to seek alternate routes to and from Brunswick via Highway 303 and Interstate 95. Updates will be provided as they become available.

For questions, contact District Communications Jill Nagle with GDOT at 912-530-4425.
