Mosquito control aerial spraying planned

GLYNN COUNTY, Ga.- Mosquito Control Services is planning an aerial larvacide application over the **uninhabited areas of Andrews Island and the uninhabited southern tip of Jekyll Island** using a single engine Thrush Aircraft that is yellow with blue striping. If weather permits, the application will take place between **2:00 p.m. and 4:00 p.m.** on **Saturday, April 28, 2018**. Should weather prevent the flight, an attempt will be made during the same timeframe on **Sunday, April 29th**. Questions or comments may be directed to Mosquito Control Services at 912-217-6300.
