Mosquito control aerial spraying planned

GLYNN COUNTY, Ga.- Mosquito Control Services is planning an aerial larvacide application over Andrews Island, South Brunswick, Arco/Selden Park, Blythe Island, Hampton Point, and Sea Island using a twin-engine King Air aircraft that is red with blue striping. If weather permits, the application will take place between 6:45 p.m. and 9:45 p.m. on Wednesday October 24, 2018.

Questions or comments may be directed to Mosquito Control Services at 912-217-6300.
