Christmas Decorations Location Map

GLYNN COUNTY Ga, Glynn County Geographic Information Systems (GIS) has made it easy for homeowners to show off their light displays to others around the county with the Christmas Decoration Location Map. Decorators must fill out a brief form and submit a photo of their lights to be included. The location will then have an icon on the map. To get started or to see who has submitted their decorations, visit <https://arcg.is/0HjDWj>.
