Sea Island Road Work

GLYNN COUNTY Ga, Glynn County Public Works will perform road construction along Sea Island Rd., at Hamilton Rd. and Hamilton Landing Rd. beginning Monday, December 3, 2018. No lane closures are anticipated until the week of December 17-21, 2018.

As part of the SPLOST 2016 program, Allen Owens Construction will be widening turn lanes and resurfacing Sea Island Rd. to improve the driver comfort and roadside safety in these areas. Construction will begin along the shoulder of Sea Island Rd. Given no unforeseen delays, the project is anticipated to be substantially complete by the second week of January. Drivers are encouraged to use Demere Rd. as an optional bypass.

Please contact Public Works at 912-554-7746 for further details.
