

## **COVID 19 – Social Distancing**

Although St. Simons Island Beaches remain open amid the COVID-19 pandemic, the gathering of large crowds is discouraged per Federal and State Guidelines. Glynn County public safety will have an increased presence at beaches as a resource to citizens and visitors. Glynn County encourages individuals to do their part in preventing the spread of this virus by practice the following guidelines:

- Practice social distancing:
  - Avoid social gatherings in groups of more than 10 people.
  - Limit discretionary travel and social visits.
  - Avoid visiting nursing homes, retirement or long-term care facilities unless to provide critical assistance.
  - If you are an older person or a person with chronic health issues, consider staying home and away from other people.
- Practice good hygiene:
  - Wash your hands, especially after touching any frequently used item or surface.
  - Avoid touching your face.
  - Sneeze or cough into a tissue, or the inside of your elbow.
  - Disinfect frequently used items and surfaces as much as possible.

For more information on COVID-19, go to the [Georgia Department of Public Health](https://www.georgia.gov/department-public-health) and go to <https://www.glynncounty.org/COVID-19> for more County information.
