## Demere Rd. and Frederica Rd. Roundabout Work

GLYNN COUNTY GA, Glynn County Public Works will begin construction on the Demere Road and Frederica Road Roundabout beginning Monday, April 20, 2020, to expand the truck apron to the western side nearest Chick-fil-a and to resurface and restripe the entire roundabout. During the work, the western side of the roundabout will be closed to traffic. Traffic travelling from North to South through the intersection on Frederica Road will need to detour onto Demere Road and traffic travelling from East to West on Demere Road will not be able to go South on Frederica Road and will also need to detour onto Demere Road. During the work, lanes will be closed for milling, paving, and striping the entire roundabout.

Additional lane closures will be needed along Kings Way from the Frederica River Bridge to Frederica Road and on Sea Island Causeway from Demere Road to Hawkins Island Drive in order to widen the road shoulders. As this work moves quickly, pilot cars and flagmen will be used to move traffic around the project vehicles.

Both projects will be conducted during daylight hours to take advantage of the reduced traffic volumes due to the shelter in place quarantine currently in effect. Daylight paving operations, while not always favorable on St. Simons Island, are safer to both the traveling public and construction crews.

These projects are funded with the 2020 Local Maintenance and Improvement Grant (LMIG) provided by the state.

For media inquiries, contact Glynn County Public Works at 912-554-7746. To see current road closures, go to <https://www.glynncounty.org/1818/Road-Closures>.
