PSA: Sea Island Road Ditch Piping Project

Glynn County Ga., Beginning Monday, November 2, 2020, Seaboard Construction will work to pipe the ditch along 500 feet of Sea Island Road, near Demere Road, to increase the size of the shoulder and improve traffic safety from Margaret Pitts Drive to Hamilton Road. No lane closures are expected on Sea Island Road, but the replacement of a cross drain will require a lane of Hamilton Road to be closed during the first week of construction, November 2-6, 2020.

Motorists are encouraged to exercise caution in the area and expect delays if travelling on Hamilton Road.
