STATE'S RESPONSE TO DEFENDANT'S
MOTION IN LIMINE: DUGGAN BODYCAM VIDEO

Defendant requested that this Court limit the State's presentation of Office Duggan's Body Cam Video.

Officer Duggan's body cam video depicts exactly, in real time, what was seen by the second responding officer when he arrived at Homes and Satilla Drive on Feb. 23, 2020. The Duggan body-cam video shows where the defendants were located at the scene in relationship to each other. The body-cam video, without sound in the first 30 seconds, shows Duggan interacting with and speaking to Defendant Travis McMichael. This is important since it is believed that this is when Travis McMichael stated to Officer Duggan that he had shot the victim.

The body-cam video also shows the defendants interactions with each other at the scene, prior to being interviewed by law enforcement. Officer Duggan's bodycam video then shows the condition that the defendant's left Mr. Aubrey in, in the roadway, after shooting him with their shotgun. The purported defense in this case is self-defense. This video shows the clothing of Mr. Arbery and the lack of any weapon. The nature and extent of Mr. Arbery's injuries, at the scene, contemporaneous and in the aftermath of the shooting, are relevant to re-but this contention of self-defense, and go to explain Travis McMichael's demeanor in the aftermath of the homicide.

The State requests that this motion to limit the Duggan body cam video be denied.

This the 1st day of October, 2021.
