ORDER TO SEAL EVIDENCE

In open court, during a hearing outside the presence of the jury in the trial of this case, Defendant William R. Bryan tendered a USB drive for the record, and requested that it be filed under seal. Accordingly, for good cause shown, the Clerk of Superior Court is hereby ordered to **SEAL the USB drive** admitted for the record (but not admitted for publication to the jury) during the trial of this matter.

SO ORDERED, this 23<sup>rd</sup> day of November, 2021.
