MOTION FOR NEW TRIAL

COMES NOW, the Defendant in the above-captioned matter and moves this Court to set aside the verdict entered on November 24, 2021 and sentence entered on January 7, 2022, and to grant a new trial on the following grounds:

1.

The defendant should be acquitted and discharged due to the state's failure to prove guilt beyond a reasonable doubt.

2.

Although the state proved the defendant's guilt beyond a reasonable doubt, the evidence was sufficiently close to warrant the trial judge to exercise his discretion to grant the defendant a retrial.

3.

The verdict is contrary to law and the principles of justice and equity.

4.

The Court committed an error of law warranting a new trial.

5.

Proper service of this motion has been perfected.

This 10th day of January, 2022.
