MOTION FOR NEW TRIAL

GREGORY MCMICHAEL, through counsel, moves the Court to set aside the verdict returned and judgment entered against him on Counts Two, Seven, Eight, and Nine of the Indictment, which was signed on January 7, 2022, and was made the final disposition of this Court on January 20, 2022, and to grant him a new trial on the following grounds:

- (1) The verdict is contrary to the evidence and the principles of justice and equity.
- (2) The verdict is decidedly and strongly against the weight of the evidence.
- (3) The verdict is contrary to law.
- (4) The Court committed an error or errors of law warranting a new trial.
- (5) The State failed to prove guilt beyond a reasonable doubt.

Defendant reserves the right to amend this Motion for New Trial upon a full review of the record in this case. Defendant requests that a hearing be scheduled after the court reporter has had sufficient time to file the transcripts of the trial and of all pretrial hearings and after appellate counsel has had sufficient time to review the record and to file an Amended Motion for New Trial.

This 2nd day of February, 2022.
