## Glynn County Recreation and Parks Department 2022 Youth Baseball Rules and Regulations

### Governing Authority

1. The Manager of the GCRPD reserves the right to all final decisions.
2. The official rules of the Georgia High School Association and GRPA will be used in all leagues except those noted in the General Rules and League Rules.

### General League Rules

1. The age control date for youth baseball is the age on or before September 1<sup>st</sup>, 2020.
2. The age divisions for youth baseball are as follows:

7-8	Farm League
9-10	Mites
11-12	Midgets
13-14	Juniors
15-17	Seniors
3. All players that are present for the game will be inserted in the scorebook and must bat in that order for the entire game.
4. Players arriving late for a game will be inserted at the bottom of the batting order and will be inserted into the rotation as soon as possible.
5. A game may be started with eight (8) players. The game will be a forfeit if there are less than eight (8) players present. If both teams have less than eight (8) players both teams will forfeit. If a team begins a game with eight (8) players, they must take an out in the ninth (9<sup>th</sup>) spot of the batting order until/if that player arrives to fill the spot.
6. The scorekeeper will keep the official game time on the scoreboard. Both coaches will be made aware of the starting time. **NO NEW INNING WILL START WITH FIVE (5) MINUTES OR LESS LEFT IN A GAME. This means if the clock shows a 6 or more on the clock, then a new inning will start after the third out is made, otherwise the game is over.**
7. No coaches or players will be allowed on the field using tobacco or alcohol products or wearing tobacco or alcohol related material.
8. Coaches or players demonstrating unsportsmanlike conduct (i.e. using bad language, throwing bats, helmets, and gloves etc.) may be ejected from a ball game and will not be allowed to participate in the next game. If a coach or player is ejected a second time they will not be allowed to participate in the remainder of the season. **ANY COACH**

**EJECTED FROM ANY GAME WILL NOT BE ALLOWED TO COACH OR ASSIST IN AN ALLSTAR GAME. ALSO, ANY COACH WHO REMOVES HIS TEAM FROM THE FIELD WILL BE SUSPENDED FROM COACHING ANY SPORT INDEFINITELY.**

9. A game that cannot be completed, except due to time limit, will be completed from the stopping point on a newly scheduled date if time and field space allows. The game will continue with the lineup and the field assignments the same as when the game was stopped. If a player is not available for the continuation then a player that was not available for the first game may be entered into the open position in the lineup. A game will be considered complete if the home team is ahead after the visitor's bat in the top of the fourth inning or if the home team has completed the bottom of the fourth inning.
10. If a game is tied after the time limit for that league, the game will remain a tie.
11. The speed up rule will be used in all leagues (the catcher on base with two outs the player who made the last out will replace him). This rule will not apply when the home team has their last at bat.
12. The home team will occupy the first base dugout.
13. The catcher is required to wear catcher's equipment including helmet, cup, shin guards, and chest protector. (Cup must be worn inside pants.)
14. Batters must wear batting helmets at all times.
15. When sliding to a base, headfirst sliding will not be allowed in leagues that wear face masked helmets. This will constitute an out. This does not apply when diving back to a base.
16. After (1) one warning per game, per player for slinging her/his bat, the batter will be out, a dead ball called, and no runner advances.
17. Shoes are mandatory for playing youth baseball games. Rubber molded cleated shoes are approved for use. **Steel spikes are approved for the Junior division.**
18. No jewelry is to be worn during games. This means no watches, earrings, necklaces, etc.
19. If a pitcher is removed from the mound then he is not able to return as pitcher during that game.
20. The GRPA run rule will be used in all age divisions. The run rule is as follows: ten (10) runs after five (5) innings, twelve (12) runs after four (4) innings, and fifteen (15) runs after three (3) innings.
21. A new inning will begin after the third out is made in the bottom of the current inning and more than 5 minutes left in the game.
22. The rotation rule will apply in all leagues. All players will play in each game. All players that are not going into the field in the first inning must go on the field in the second inning. Example: In the first inning, John, Jimmy, and Jerry are on the bench. When your team goes on the field in the second inning, John, Jimmy, and Jerry must go on the field leaving three different players on the bench. The same three players cannot be on the bench two innings in a row.
23. A player may play up no more than one year. Example: If Jimmy is eight years old then he can move up into the Mite League as an eight year old.
24. If a player is injured during an at-bat and cannot continue the at-bat (at the umpired discretion), it will be nullified, and the next batter listed in the official lineup will come to the plate with a new count with no penalty enforced. If a player is injured while playing defense and is unable to bat when his/her turn comes up in the official batting order (at the umpired discretion), his/her spot in the batting order will be skipped with no penalty enforced.
