If you are an owner and intend to do the work or subcontract the work out, you must complete the following affidavit certifying that you are the owner of this tract or parcel of land, that you have applied for this permit, and are not subject to licensing as a contractor or subcontractor. Signing the affidavit, and in turn obtaining the permit in your name names you as the owner, responsible for the work and compliance with applicable state and local codes. This affidavit must be completed with the signature who witnessed your signature to this document, acknowledging your compliance with this application.

I, as the OWNER, will be responsible for the work performed on my property, and shall be responsible for compliance with all state laws regulating building construction and us, and compliance with all county ordinances.

OWNER'S SIGNATURE:	DATE:	PLEASE PRINT OWNER NAME LEGIBLY
--------------------	-------	---------------------------------

I, as a WITNESS saw the owner affix his signature to this application, certifying that he will be responsible for the work performed on his property, and understands that he shall be responsible for compliance with all state laws regulating building construction and us, and compliance with all county ordinances and that he is not subject to licensure as a contractor or subcontractor in the state of Georgia.

WITNESS' SIGNATURE:	DATE:	PLEASE PRINT WITNESS' NAME LEGIBLY
