

## **Glynn County Recreation and Parks Department Athletics4All Scholarship Program**

### **What is the Scholarship Program?**

The Glynn County Board of Commissioners approved the Athletics4All Scholarship Program (“Scholarship Program”) for Glynn County residents who meet defined eligibility criteria to apply for available funding to offset youth athletic league registration fees charged to participants in designated programs offered by the Glynn County Recreation and Parks Department (GCRPD). The goal is to minimize economic barriers for families with limited financial resources whose children wish to participate in youth athletic leagues offered by GCRPD. To be considered for the Scholarship Program, a parent or guardian must complete and submit the application and all required documentation for each dependent participant. The applicant must reside in the taxpaying boundaries of Glynn County. The Scholarship Program is funded by proceeds from mainland athletics concessions. Scholarships are solely based on the availability of funding and are not guaranteed even if an applicant is approved.
